Institute of
Financial
Consultants®
GLOBAL LEADERSHIP FOR
FINANCIAL PROFESSIONALS

Discover the **Certified Financial Consultant** designation

Institute of Financial Consultants ® is a professional body for those who work in the financial profession. Our members are employed in all sectors of the economy and make a significant contribution to the efficiency of any business. IFC offers an educational program leading to the designation of a Certified Financial Consultant ® (CFC) issued to qualified graduates. The Institute has a growing global presence.

The Institute is multidisciplinary, drawing its members from the related but separate fields of accountancy, insurance, law, funds management, tax and pensions. The Institute is forging a "new" profession that adopts the best features from these related professions and encourages the development of members' qualifications as financial consultants on the basis of their current professional qualifications.

IFC membership is open to professionals working in the financial field with a minimum of three years experience in the financial profession.

About **membership of the** institute

IFC membership is open to professionals working in the financial field with a minimum of three years experience in the financial profession.

IFC has an ongoing commitment to high professional and ethical standards.

Members are expected to comply with the content and the spirit of the code of ethics in order to fulfill this professional obligation.

Our membership benefits include excellent online CPD courses to help our members stay ahead of their game in an increasingly competitive profession.
